Meet the Robinsons Cheats - GameSpot

The events of the game take place immediately after the movie, rather than before like in the Buena Vista Games version. Inexplicably, this is also the only Meet the Robinsons game which features Lewis as a main playable character. Due to the limitations of the Game Boy Advance, no voice-acting is featured. Nintendo DS version

Meet the Robinsons Cheats, Nintendo DS - Super Cheats

Sure, they're not going to win any game of the year awards, but you can tell that some thought and care went into making them. That said, Meet the Robinsons (the game) lives right up to that standard. Based on Disney's (not Pixar's) latest CG film, this game acts as a sort of side story to the events of the film.
