Theatre - The evolution of modern theatrical production: Underlying the theatrical developments of the 19th century, and in many cases inspiring them, were the social upheavals that followed the French Revolution. Throughout Europe the middle class took over the theatres and effected changes in repertoire, style, and decorum. In those countries that experienced revolutionary change or failure ...

The curious case of the 3-star review... I reviewed The Luminaries for We Love This Book; here I'll simply attempt to explain why I gave such an accomplished book only 3 stars. It's just the sort of book I should have given 5 stars: my MA is in Victorian Lit., Charles Dickens is a favorite author, and I adore historical fiction, particularly Victorian pastiche: Possession, The Crimson Petal ...
